Work

Healium, Engineering Intern

June 2022 - August 2024

Developed VR apps using biometric feedback and AI integration.

Mathnasium, Tutor

March 2025 - August 2025

Taught kids of all ages mathematics.

Extra Curriculars

Happy Turtle Games, Co-Founder

2024-present

Co-founded a game development studio with one partner. Currently finishing the release of its first commercial game. Also developed 8+ other games in the years before the company's founding.

Camp Invention, Counselor

Summer 2023, 2024

Led STEM-based activities for 20+ elementary students, fostering curiosity and engagement.

Game Development Club, Founder

2023-2024

Started and ran the Game Development Club at Columbia Independent School. Taught members skills necessary to develop games.

Intercession, Leader

2023, 2024, 2025

Led an annual week-long school event for ~15 high schoolers. In 2023 and 2024, the event focused on teaching participants game development and developing a video game. In 2025, we built an escape room.

One-Offs Of Note

Taught two sections of middle schoolers a 3-session web development class (2024); created several school events, including a 2-night Junior trip (2024) and a 2-night high school retreat (2024); produced and directed two short films (2024-2025); student ambassador (2023-2024); e-sports team member (2023-2024); built a mycology lab (2024); co-founded weekly student newsletter (2023-2024); placed top 1% in international game jam Ludum Dare 54, 3rd place in Adroit Game Jam, 1st place Missouri Hacks Advanced coding challenge; hosted school wide MTG tournament.

EDUCATION

Columbia Independent School

August 2011 - May 2025

3.95 GPA. 36 ACT. National Merit Scholar Finalist.
